Model Twelve Projector Mechanism

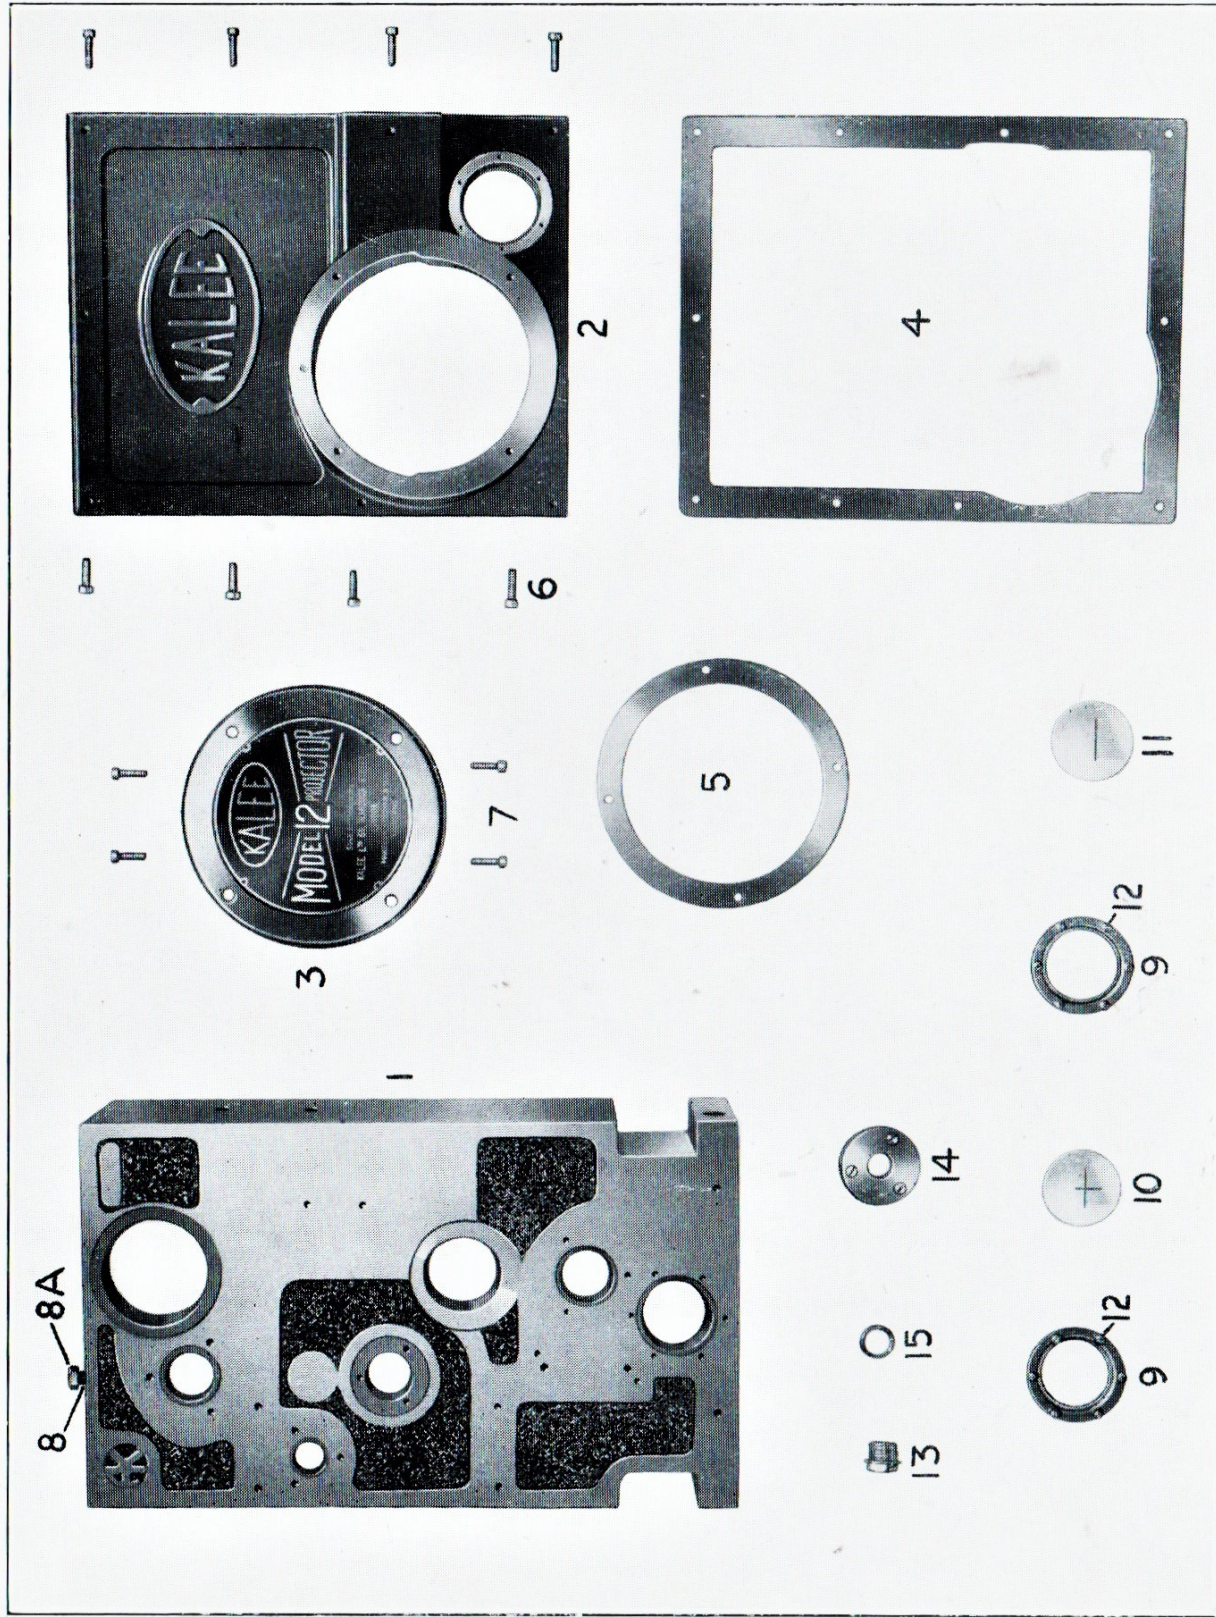

Spare Parts List

IMPORTANT.

When ordering spare parts always specify the list numbers of the parts and the serial number of the mechanism for which they are required.

Note: Plates 1 to 6 inclusive illustrate parts which are applicable to mechanisms earlier than, and including, Serial No. 16231.

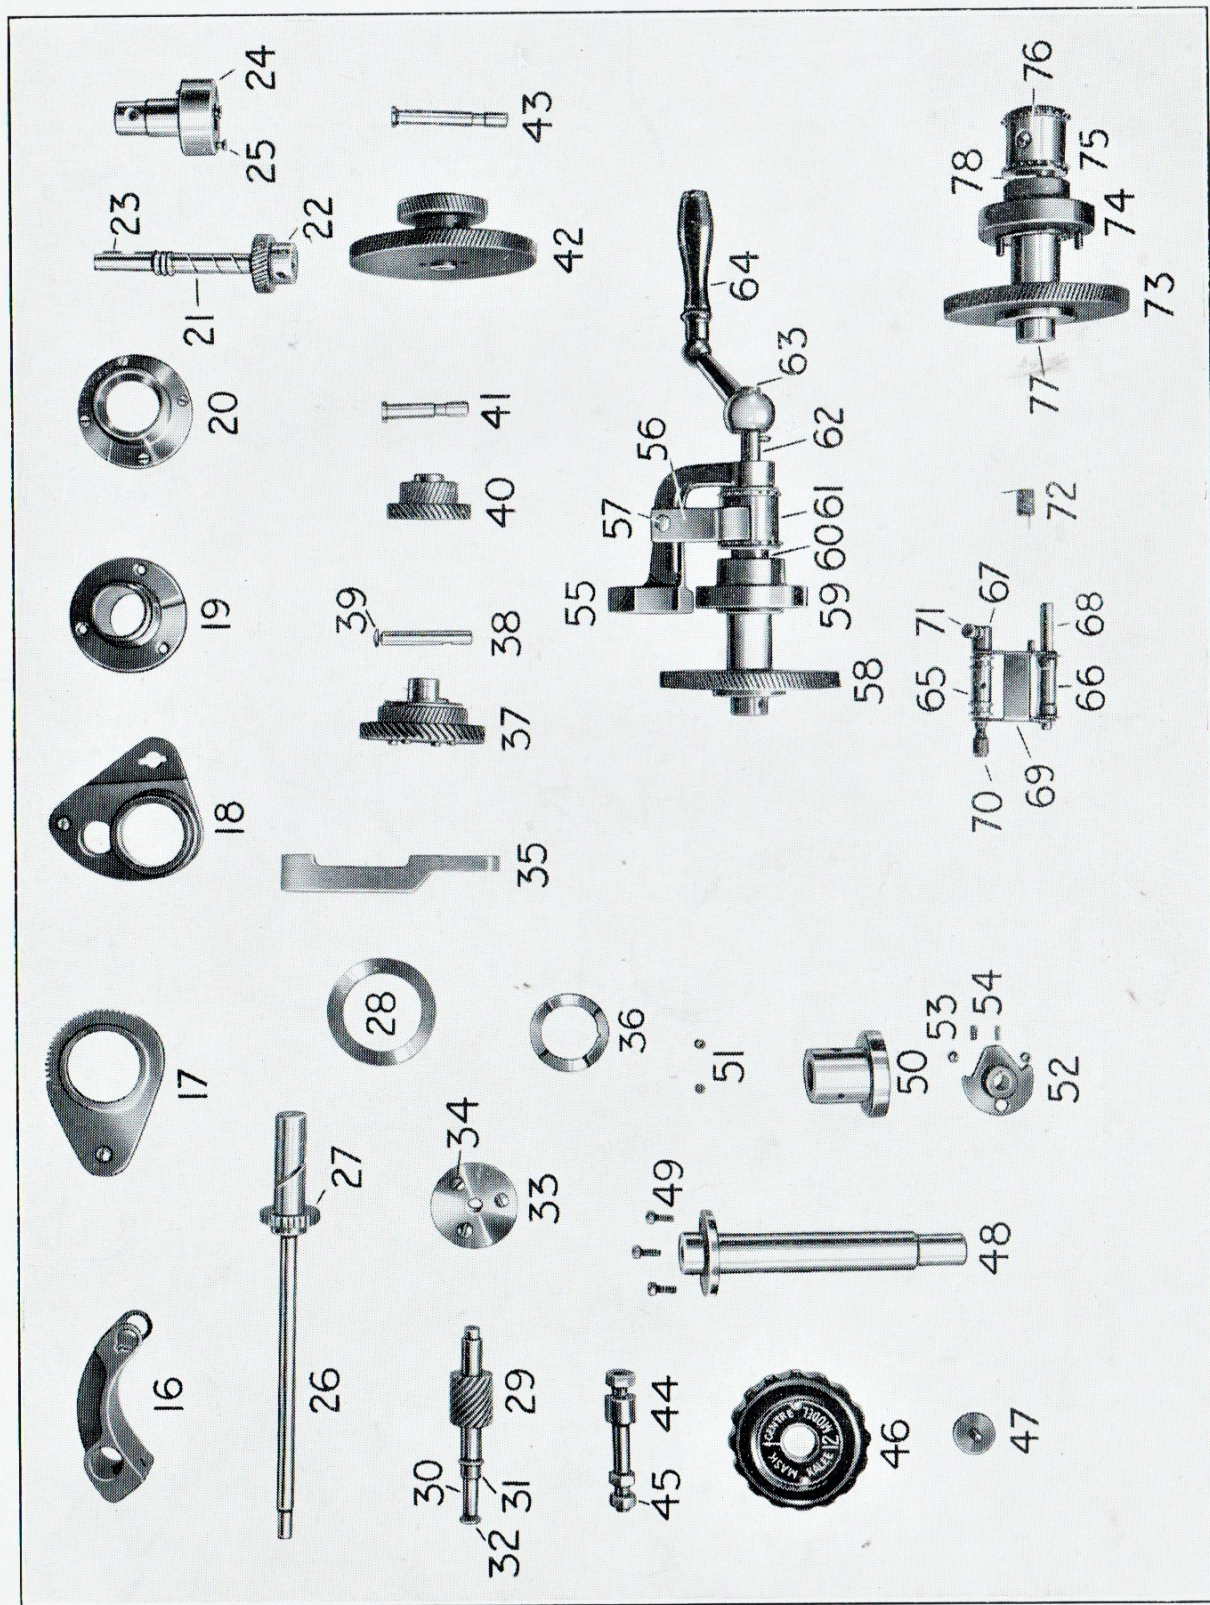

Mechanisms later than, and including Serial No. 16232, embody certain replacements of the foregoing parts and additional components, which are illustrated in Plate 7.
