

3D REWINDER

(No. 4 MODEL)

Specially designed to enable large diameter Spools up to 24" diameter to be easily rewound, featuring :

- ★ **LOW GEAR RATIO.**
- ★ **BALL BEARINGS THROUGHOUT.**
- ★ **ADJUSTABLE REWIND TENSION.**

The ratio of gearing has been reduced to 2 : 1, all spindles throughout are fitted with ball bearings and the turning handle is fitted with a long crank which gives ample leverage and ease of motion.

The idle end is fitted with a friction device the tension of which can be adjusted during operation with a touch of the finger.

A 22" diameter Spooling On Off Plate with Film Keep can be supplied as an extra.

The Film Keep may be locked to either upright as required, and in conjunction with the On Off Plate enables the easy handling of unspooled film.

The whole is elegantly finished in grey enamel.

~~£20 0s. 0d.~~

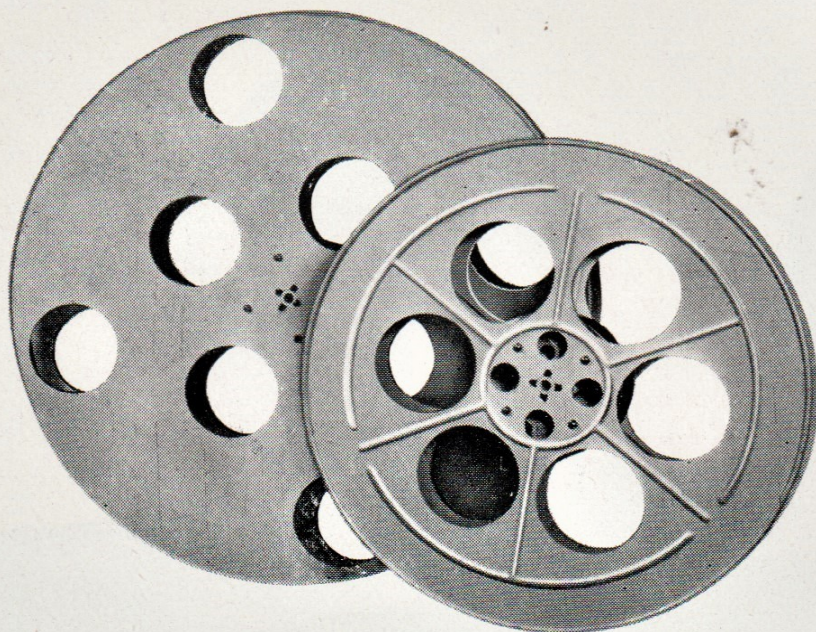

£22. 10s. 0d.

Spooling On Off plate with Film Keep interchangeable on both uprights.

£5 0s. 0d.

These Rewinders can be supplied with $\frac{5}{16}$ ", $\frac{3}{8}$ ", $\frac{1}{2}$ " or 9mm. spindles to suit any make of Projector ; the size of spindles required must be stated when ordering.

3D SPOOLS

These are made in two sizes, 17" diameter with a capacity of approximately 3,000 feet or 22" diameter with a capacity of approximately 5,000 feet of film. With certain makes of coloured film stock the capacity is somewhat less.

The cheeks are in aluminium and the hub, which is our patented design, can be supplied in either metal or plastic, the centre of which has an interchangeable steel bush to suit various sizes of Projector Spindles.

5/16" for American Projectors.
 3/8" for B.T.H., Kalee and Ross Projectors.
 9mm. for Ernemann and Continental Projectors.
 1/2" for Gaumont Projectors.

Prices :—

17" diameter	...	£3 0s. 0d. each.
22" diameter	...	£4 0s. 0d. each.

SPOOL CABINETS

These are strongly constructed in sheet metal with separate compartments for each Spool and a self closing spring controlled door for each compartment. Spools can be numbered and identified with an ivory tab attached to each door.

Finished in grey crinkle enamel.

They are made in two sizes to accommodate six 17" Spools or six 22" Spools.

17" Cabinet	...	£8 0s. 0d.	£8. 8. 0.
22" Cabinet	...	£12 0s. 0d.	£12.12.0.
