

NUMAVISOR

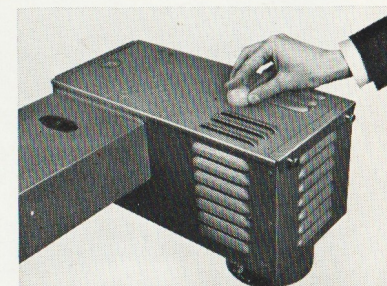

(BINGO BALL PROJECTOR)

- * Prevents dishonesty by instantaneously projecting number of bingo-ball.
- * Audience can see the ball the whole time.
- * Quick instantaneous projection, does not interrupt the game.
- * Simple construction, easy to use.
- * 7 : 1 magnification of ball.
- * Does not necessitate any alteration to existing equipment.

*BINGO BALL
about to be placed
in position*

*BINGO BALL
in projected
position*

In operation the bingo ball is lifted from the blower unit etc., the number read out and then immediately placed in position for projection.

All this takes place in full view of the audience in a few seconds. After this the ball is then placed in the Bingo Tray, therefore, causing no interruption to the game.

This projector is extremely simple and easy to use.
